Points to remember

ALL ENTRIES MUST BE COVERED IN PLASTIC WRAP

The original signed Student Entry Form must be submitted in a sheet protector taped to the back of the artwork **on top of the plastic wrap** using masking tape. The form is designed so that the sheet can be folded in half for judging purposes.

Please do not tape the form directly to the artwork; make sure the form is in a sheet protector.

DO NOT SHRINK WRAP

A single print or collage may not exceed 11 inches by 14 inches, including a mat.

Print the entries on paper or other two-dimensional material.

Mount all prints on a cardboard mat, poster board, or some other sturdy material.

Framed entries, original film (negatives or transparencies), and multidimensional pieces are not accepted.

Presentation

- ** State Requirement: Piece is wrapped in plastic wrap**

ALL VISUAL ART AND PHOTOGRAPHY entries must be wrapped in plastic wrap/plastic film. This requirement is to protect the integrity, authenticity, and hard work of the student's entry as well as protect it during judging. Entries travel several miles during the various levels of judging and without this protection, entries could be damaged. The plastic wrap is an inexpensive precaution for your student's hard work. Plastic wrap/plastic film also referred to as "clearphane" can be found at craft stores in varying sizes. If you have questions on where to find plastic wrap/plastic film, please contact the NCPTA Office at office@ncpta.org.

- Student Entry Form in a sheet protector and secured with masking tape to the back of the photograph **on top** of the plastic-wrap.

Met deadline: Entries delivered and received at the designated place on or before the designated due date.
